EVENT RULES:

- *Eleven team members will form a human chain.* The human chain is formed by each participant extending their LEFT HAND BACK between the legs and grasping the right hand of the person behind them. At the horn, the team will carefully proceed down their lane to the center line where they will stop - all without breaking the chain!
- *The coach will then place the hoop over the head of the FIRST person in the chain.* The team must work together to pass the hoop from the first person to the last person without breaking the chain. The coach may not touch the hoop while the team is passing it, and the front and back members of the team may not touch the hoop with their free hands! If the chain is broken while the hoop is being passed, the hoop goes back to the first person and the team starts over.
- *When the hoop reaches the last person in the chain, the coach will remove the hoop.* The team will then carefully proceed to the opposite end of the lane, go around the cone and return to the center line - all without breaking the chain.
- *The coach will then place the hoop over the head of the LAST person in the chain.* The team must now work together to pass the hoop from the last person back up to the first person without breaking the chain. Again, the coach may not touch the hoop while the team is passing it, and the front and back members of the team may not touch the hoop with their free hands! If the link is broken while the hoop is being passed, the hoop goes back to the last person and the team starts over.
- *When this is completed, the coach will remove the hoop and the team will make its way back to the starting line.* When all members of the team are seated, they will have completed this event and their time will be recorded.

PENALTIES:

- A ten-second penalty will be added for each line break that occurs while the team is traveling.
- Any team who has their coach touch the hoop while it is being passed, or who has its front or back members illegally touch the hoop with their free hand will be disqualified.
